

Kathy,

I thank God for meeting people as good as you.

On behalf of the blind of the Chirijuyu village, the men, women and children of the different neighborhoods and communities in the municipality of Tecpan, Guatemala I deeply appreciate the assistance provided by Mission of Love.

Thanks for the food for the blind, for the medical journey men, women and children, and for helping the Santa Apolonia Orphanage to paint their dining rooms.

Thank you for taking into account the indigenous population of Guatemala.

Sincerely,

Paula Lopez
