

**Subject:** Thank you!

Thank you for the beautiful quilts I received today. My daughter loves hers and I am blessed that you made me take one as well. This tornado has been hard for me, since I am not used to being on the receiving end, I am used to being a giver, so it has been hard for me to accept things. But I am blessed by the love we have been shown during this time.

Here is a picture of my family.

Thank you again. We are forever grateful
