I would like to thank mission of love for all they done for me and my family, I cannot thank you enough for the wire and heaters, i am one step closer to finishing my house.

I really believe that you were sent into my life and others to show us the true meaning of love and help. you made me realize that people do care about each other and that thru belief and hard work we can help each other. thank you cathy and those who help you. you are a blessing as i said an angel in disguise who asks for nothing but gives everything. thank you mission of love for helping me get one step closer to my dream to bulid a home for a family, the house that love built. you are my inspiration and my friend always

your friend Vic
